Get More With Polar King Finance

Fast, Easy, Trailer Financing

01

Send Application Link

Send a unique, dealer branded digital credit application to your customer to start the process, or submit an application on your customers behalf.

02

Get Credit Decision

Your customer will receive an instant credit decision. On approval, you can proceed to uploading the final invoice.

If more credit information is needed, our team will work with your customer to get the documents required.

03

Upload Final Invoice

Log into the Polar King Finance platform to upload the final invoice and MSO.

04

Customer Signs

Your customer is prompted to download the mobile application to complete a secure onboarding and transaction. Your customer completes the transaction with one digital signature.

05

Release Equipment & Get Paid!

Once the transaction is completed, you can release the equipment to the customer and you are funded the next business day.

COMPLETE FINANCING IN JUST MINUTES

"This made it easy to get the equipment I needed for my company. Online application was super easy and communication was amazing. Was able to secure funding within the next day and pick up my new trailer."
